

# Sponsor a hole at the Integrated Marine Group Charitable Golf Open

Thursday 22nd November 2012 at North Shore Golf Club

Get your company name and product information in front of many of the visiting superyacht crew first thing this season by sponsoring a hole or a prize at our annual Charitable Golf Open. With last years event seeing 56 players from almost every yacht in town previous sponsors will tell you it's well worth the money!

For just \$400 (or \$450 for the prime holes—allocated on a first come first served basis) you can adorn the tee or hole with as much publicity as you wish. With a lake onsite you could also chose to display your product on the water; the course will accommodate all ideas with only a couple of small guidelines to follow.

To register your interest, or to find out more information, please contact Rachel Harrison at Integrated Marine Group.
